Enjoy nature with our hiking trails

Cliff *El Chipero*

Enjoy a short walk of approximately 1 hour round trip (a little over 4 km) that will take you to a beautiful cliff with spectacular views of the sea. Feel the breeze as you walk along a simple path that everyone can enjoy. This place is spectacular, where the sea and the mountains meet, filling you with relaxation and well-being.

TRAIL TO CAOBITA BEACH

Enjoy our paradise beach with crystal-clear waters, surrounded by lush mangroves.

1

By road: Simple but extensive trail

The easiest route is to follow the main road. On very hot days, or if you have limited time and don't have your own vehicle, we recommend taking a motoconcho or another form of transport. Otherwise, you can walk without any issues, but it takes approximately one hour to reach the beach and another hour to return.

2

For the more adventurous

There is a shorter alternative route, about 30 minutes long, which will take you through a forest trail. Although the path is not clearly marked, the adventure is well worth it. We recommend wearing comfortable shoes, long pants, and paying close attention to the signs along the way.

TRAIL TO UVERO BEACH

Another beach that you will love is just a 25-minute walk from the hotel. During the walk, you will enjoy an incredible dry forest full of wildlife, making this journey a refreshing experience, especially on hot days thanks to the shade of the trees. Upon arrival, you will find a pristine and peaceful beach, perfect for relaxing without any distractions.
